IMPROVING CHILDREN'S  
LIVES THROUGH  
EDUCATION AND SPORT

## ***Be Unstoppable! Be Impactful! Be A Skyhook Scholar!***

### ***Improving Children's Lives through Education & Sports***

**The Skyhook Foundation** is a 501(c)(3) non-profit that mentors aspiring youths from under served communities, in the value of self empowerment by providing programs rooted in basketball, martial arts & learning.

The Skyhook Foundation provides children real world fundamentals in:  
teamwork • conflict resolution • goal setting • time management

Join Kareem Abdul-Jabbar & the Skyhook Foundation as we make a difference in young peoples lives around the globe.

- In partnership with the **Boys & Girls Clubs of America**, we are building and donating basketball courts as well as martial arts courts around the United States at selected locations.
- In partnership with the **Jackie Robinson Foundation** we are sponsoring a Skyhook Scholar – this is a scholarship for a deserving athlete who excelled in academics but did not qualify for a scholarship.
